1 Purpose & Intended Audience

This Investor Compliance Summary Pack is designed to give investors, due diligence teams, board members, and prospective partners a structured, clear overview of your startup's compliance posture. It consolidates key legal, operational, financial, security, and quality compliance status into a single document — demonstrating maturity, trustworthiness, and readiness to scale.

> 📋 **HOW TO USE:** *Complete every section honestly. Update this pack before each funding round, board meeting, or due diligence process. Where a status is IN PROGRESS or NOT YET, include a target date and responsible owner. This document may be shared with investors but should be marked confidential.*
